MORRELL

edMUND

(looking at Mercedes)

That love is all there is, is all I know of
love.

(then to Mondego)

I thank my Best Man, for his kind words and
kinder friendship. And thanks to all my
shipmates and friends for attending this, the
happiest day of my life.

An older gentleman approaches.

MONSIEUR MORREL

(offering an official document)

And perhaps this gift will make the happiest
day of your life happier still.

*Handing the paper to Edmund, who
looks at it like a dog trying to
read a book.*

*Mercedes rescues him, by
snatching it from him and reading
it...*

MerCEDES

Mon Dieu, Edmund! You are to be the new
Captain of the Pharaon!

EdmuND

(to older man)

Monsieur Morrel! I... I...

MORREL

I can think of no better sailor alive than you
to take charge of the Pharaon!

*He turns to leave and says to
DANGLARS, a man only slightly
older than Edmund...*

MorreEL (cont'd)

(under his breath as a dig to Danglars)

Even if he can't read.
